## HOW TO STREAM ONLINE

We stream both worships at 9 and 10:30 AM. There are currently two ways to stream:

- 1) **Visit our website** [www.stpaulumc.org](http://www.stpaulumc.org) and click on the link on the front page. You can also click on Live Worship in our free app. When the streaming site opens, click on the play triangle to start streaming.
- 2) **If you have Facebook** follow us to get a notification when we start streaming. If you don't receive a notification, visit our [Facebook page StPaulUMCLargo](#).

## HOW TO GIVE ONLINE

Visit our website [stpaulumc.org](http://stpaulumc.org) and click the **"Give"** link at the top of the page. You can also click on Give in our free St. Paul app (search St. Paul United Methodist in your app store). Make a one time gift or set up a recurring gift. You can use credit card or ACH to donate.

## 10:30 SET LIST

### SHARE YOUR EASTER PHOTOS & VIDEOS

One of our St. Paul Easter traditions is to take pictures with family and friends at the flower cross in the courtyard. We can't take pictures in the courtyard this year, but we'd still like to see your Easter pictures! Send us a Happy Easter video, show us if you're wearing your Easter hat or doing an egg hunt. How are you celebrating Easter at home?

Share your Easter pictures and videos on [Facebook](#), in our [Facebook group](#), or tag us on [Instagram @StPaulUMCLargoFL](#)

# CONNECT

We invite you to connect with us online while practicing "social distancing."

## FACEBOOK GROUPS

We have one more message in our *Encounter* series next Sunday, then on Sunday, April 26 we begin a new message series, *Praying With Hope*. Most Christians engage in some form of prayer. They pray before meals, pray about their health or finances, about world events or personal fears. In this series we focus in on praying with purpose. Jesus gave us the blueprint for prayer and he lived it just before he went to the cross for us all. What can we learn about praying for ourselves, for those entrusted to us, and for all believers (those who are or will become followers of Christ.)

## MAKE FACE MASKS

Calling all seamstresses! An urgent call has been made for handmade cloth face masks for our healthcare workers! Last week we delivered our first 170 masks to Morton Plant and we're just getting started. These are easy to make with very little skill needed. You can make them from cotton fabrics that you already have or you can purchase new fabric. JoAnn Fabric also has free fabric packets available at the front of the store. Cute patterns are appreciated and don't forget some for male nurses!

Elastic is not available and cord elastic is difficult to work with. Look left for a picture of the headwraps we are using instead. They are the perfect size and much easier to work with.

**We will be collecting the masks on Fridays between 10 AM-2 PM outside the church office.** Look for a la-

belled bin on the bench by the church office door. We will also have a bin of fabric you can take if you need it next Friday. The masks you drop off will be picked up by Amy Smith and distributed to our healthcare workers.

If you're taking on this challenge to make masks contact Kathy Carr at 727-781-8195 or [rmckwc@gmail.com](mailto:rmckwc@gmail.com).

## WHAT YOU WILL NEED

- Cotton fabric, a pretty print is best.
- If you already have rope elastic you can use this to make the masks by cutting it 7 inches long and knotting the ends. Elastic is sold out in most stores so we're recommending that you use headwraps like the ones pictured at left as an alternative. Cut the headwrap so it's one piece of elastic and don't knot the ends.

## HOW TO SEW THE MASK

1. You can make two sizes: Adult or Child. Put right sides of cotton fabric together. Cut 9x6 (Adult) or 7.5x5 (Child). Be sure any fabric design is placed horizontally.
2. Starting at the center of the bottom edge, sew to the first corner, stop. Sew the wrap (or elastic) with the edge out into the corner. A few stitches forward and back will hold this.
3. Sew to the next corner, stop, and bring the other end of the wrap (or elastic) to the corner and sew a few stitches forward and back.
4. Now sew across that top of the mask to the next corner. Again put a wrap/elastic with the edge out.
5. Sew to the next corner and sew in the other end of the same wrap.
6. Sew across the bottom leaving about 1.5" to 2" open. Stop, cut the thread. Turn inside out.
7. Pin 3 tucks on each side of the mask. Make sure the tucks are the same direction.
8. Sew around the edge of the mask twice. See picture below for what finished mask should look like.
