## A PRAYER FOR TRUE JUSTICE

Heavenly Father, our hearts are heavy. Broken. Please give us eyes to see and ears to hear where Your Spirit is working. Help us to see every person the way that You see them. Break our hearts for what breaks Yours, God. Let us not merely say that we love each other. Give us strength to mourn with those who mourn, to weep with those who weep. Let Your justice roll like waters. Let Your righteousness and love flow from us like rivers of living water. Purify our hearts, Lord, and fill us with genuine hunger for justice, for mercy, and for true peace. Heavenly Father, let justice and mercy start with me. In Jesus' Name, Amen. *(From YouVersion)*

## REOPENING UPDATE

We are working with a team of staff and lay-people to finalize a reopening plan. We will make that available as soon as it is finalized, but in the meantime here are a couple things I can share with you:

**We will return to worship in the LuAnne Willey Fellowship Hall instead of the sanctuary.** We are moving worship to the Fellowship Hall in our Christian Life Enrichment Center because the flexibility of the space and standalone chairs allows us more freedom to configure seating that follows the CDC social distancing guidelines for large groups. The lobby area and bathroom facilities in the CLEC are also larger to allow safer movement.

**We don't have a reopen date yet.** We are tracking the case numbers in our county every day and the averages every week. We are looking for a sustained downward trend for 14 days in number of cases and percent of positive tests. This will be our sign that it's safe for us to reopen and allow us to set a date. When a date is set, we will share it through email, on our website, in worship announcements, etc. In the meantime we invite you to worship with us online and we are proceeding with setting up our worship space in the hall so we will be ready when it's safe to go ahead.

We have looked at a study by the CDC and other medical studies by epidemiologists which indicate that **when people sing in groups, they create a higher risk for transmission of the virus.** The findings also showed wearing a face-mask does not preclude the risk of spreading the virus when singing. Our team is prayerfully seeking an answer for how we worship if we cannot sing. I ask you to pray about it as well.

**Other churches around us are opening, why aren't we?** Let me say this, "Churches are indeed essential, but our parishioners are not expendable." Many of the churches that are reopening have younger aged congregants that we do. The average age of a person attending our church is in the upper 60's to low 70's. All re-

ports say this is the most at risk age group, and we want to be careful that our reopening does not put any of you at risk. I hold onto the mandate of Jesus when he said, "Love your neighbor as yourself." Because I and our staff and reopening team love you, we will do all we can to also protect you out of that same love.

**When we do return to building worship, we will no longer greet one another with hugs and handshakes.** We will find alternative ways to express our love for each other. **We will also replace passing the plate for offering with "giving boxes" which will be located throughout the room.**

**We are discussing having medical protocols as people enter the building, such as temperature checks and wearing face masks.** Instead of seeing it as an inconvenience, I ask that we work together and comply to ensure everyone's safety. You may not be worried about the virus for yourself, but by going through these protocols you are also protecting your friends and fellow St. Paul family members. We will also place stationary and mobile hand sanitizer stations throughout the building.

**We will comply with social distancing.** Our seating will be arranged so that those in the same household may sit together, but those outside the household will sit in seats that are socially distanced 6 feet apart. We are working on a seating plan to allow as many seats as possible while maintaining the safety of social distancing.

As you can see, there is a lot to work through and this is merely the tip of the iceberg on the many decisions that must be made to return to on campus worship during a pandemic. I want to continue to ask your grace, prayers and cooperation as we finalize our plan.

Blessings,

Pastor Bob Martin
