## OUR NEXT SERIES

Next Sunday we start a new series. The prophet Elijah is one of the few biblical figures who appear in both the Old and New Testaments. In the Old Testament, he was called to hold kings accountable and to stand strong against the false idols of this world. In the New Testament he appeared with Jesus at the Transfiguration of our Lord. He is a giant of our faith, but the truth is even Elijah suffered from many of the fears and frailties that affect us as we journey in the faith. As we face times of trial and wilderness, we can learn much from Elijah's life and service to God.

## VOLUNTEERS NEEDED

In order to return to church we will need more Sunday morning volunteers than ever because we are changing the way we do worship to fit social distancing guidelines. We will need people to greet with smiles and waves, ushers to check people in and seat them, people to check temperatures with touchless thermometers and distribute masks, folks to help disinfect before and after worship, tech team members and more. If you're willing to help, [fill out](#)
