# RETURN TO CHURCH GUIDELINES

We're excited to be returning to worshipping together as a church family on Sunday, Sept. 13. The safety of our attendees, volunteers, and staff remains our highest priority, so when we do return we will implement new health and safety protocols and other changes shared below. We are all figuring this out together, so we ask for your patience and understanding as we strive to protect all the members of our worship community.

## LOCATION

We are worshipping in the Christian Life Enrichment Center (CLEC) where spaced seating, and a larger lobby and restrooms will make it easier for us to social distance.

## WORSHIP TIMES

**Our 10:30 AM band led worship time has moved to 11 AM** to allow more time to sanitize between services. **Our traditional service will remain at 9 AM.**

The new safety measures that we're implementing will mean it takes a bit longer to enter the building and be seated, so when possible, please arrive early for the first service.

## PARKING

Our Highland entrance is the drive thru drop-off location for those who have difficulty with mobility. If you're able to walk easily, we ask that you love your neighbor by parking in the spaces furthest from the CLEC to allow our friends who have trouble walking to park closest to the building. The parking lot by the office entrance is for those with limited mobility.

## RESERVATIONS

We have a limited number of seats available, so for a time, we will use a reservation system. Making a reservation in advance will ensure that we have a seat for you in worship. See page 7 for more info. We will still be able to welcome guests with seats set aside for visitors.

## WELLNESS

Anyone who is sick, coughing, has a sore throat, or a fever is asked to remain home. We're committed to continuing to provide worship online, so anyone who needs to remain at home whether due to illness, being in a vulnerable group, or other reasons can still join us in worship.

As we enter the building we are using no-touch thermometers to take everyone's temperatures. Anyone with a fever of more than 100.4 needs to return home where you can worship with us online.

Everyone needs to wear a mask in the building. If you don't have a mask, we'll provide one to you. If you're unable to wear a mask, you can continue to worship with us from home until masks are no longer needed.

Everyone who enters the building will be provided with hand sanitizer and must sanitize their hands unless a health condition prevents it.

## SOCIAL DISTANCING

Individuals or families need to maintain social distancing in the fellowship hall and common areas. Wait to be seated by our ushers, who will place those who are living in the same household in seats together, and maintain 6 feet of distance between those who are not living together. No one is allowed to move chairs or seating except our ushers.

We are all looking forward to seeing each other again and will naturally want to give each other hugs or handshakes; but during this season we will greet each other with smiles and waves that maintain 6 feet of social distancing.

When leaving worship, wait to be directed by the ushers and use the specific exits they guide us to, so we can avoid creating bottlenecks and maintain social distancing.

## WORSHIP

Our services are designed to be as touchless as possible by eliminating paper bulletins and hymnals, and using offering collection boxes before or after worship instead of passing the plate.

Several studies have shown that singing creates a higher risk for the spread of the virus, but singing and music are an important part of how we worship God together. So that we can continue to connect to the Holy Spirit through music, our worship leaders will sing while the rest of us will express our love of God by humming, clapping, dancing, raising our hands, etc. instead of singing.

## CHILDREN

Children's Ministry and nursery will be available at a later date. Children are welcome to worship together with their families and are encouraged to bring electronic devices with headphones to use during worship. They will find lots of videos and resources on our Children's Ministry social media accounts, including Storytime with Mrs. Kaitie and more.

## THANK YOU

We thank you all for working with us to take care of each other, even when it may be inconvenient. You may not be someone who is in a vulnerable group or concerned about catching the virus, but these measures will help us to protect those who are. They only work if all of us buy in and do our part to keep each other safe. Thank you for putting the safety of our St. Paul family members first!

## HOW TO RSVP FOR WORSHIP

Due to social distancing requirements, we have a limited number of seats available for worship. To ensure that we have a seat for you on Sunday, we ask that you RSVP online in advance. It's an easy process that only takes a minute. If you don't have the technology to register online, you can reserve your seat by calling 727-584-8165 during our office hours Mon-Thurs 9 AM to 5 PM. If you call after our office closes on Thursday, we will not receive your RSVP and you will not be on the list. If you have a computer, smart phone or other way to register online, we ask that you use the online system. It's faster for you and saves time for our staff as well. You can make online reservations right up until worship time, or until we run out of seats.
