## MARTHA MINISTRY VOLUNTEERS NEEDED

Martha Ministry is a caring ministry that helps provide meals for sick or recuperating church members. These meals are a gift of love and help ease the burden during a difficult time. We need volunteers for our March/September and April/October Marth Ministry teams. If you are willing to help in either of these two time slots, or you'd like more information about what's involved in serving with this ministry, please call Mary Vaughn at 727-586-0164 or text to 727-432-7583.

## STUDENT MINISTRY IS MEETING

Our Student Ministry returned to meeting in person last Sunday! [Click here](#) for a video of some of the fun from last week. Middle and high schoolers are invited to join us on Sunday nights from 6-7:30 PM in the courtyard by the sanctuary. (In case of rain we will move to a zoom meeting.)

Student Ministry is planning to move to indoor meetings in the CLEC on Oct. 18, so look for more details about that in the coming weeks.

## CHILDREN'S MINISTRY VIRTUAL GROUPS

Kids, join us for Rooted Virtual Groups on Zoom on Sundays at 9:30 AM. We'll meet and catch up with old friends, play games, and grow deeper with God through Bible stories and more. Check the Children's Ministry [Facebook](#) for Zoom info. You can also find fun videos, Bible lessons for the whole family and more on our Facebook and [Instagram](#).

In person Children's Ministry is planning to return on Sunday, Oct. 18. We'll have more details about that soon!

## WEDNESDAY NIGHT BIBLE STUDY

If you're looking for a weekly Bible study, Bishop Carter is leading an online study on the Gospel of Matthew chapters 18-25. It runs from September 9 through November 25, and you can catch up anytime. Hear from biblical scholars, share your prayer requests and learn with fellow Methodists from across the Conference. Find more info on the Facebook group:

<https://www.facebook.com/groups/flumcbiblestudy>

## OPEN ARMS MINISTRY

God continues to pour blessings on our Open Arms Ministry and allow us to provide food for the community and help supply other food distribution ministries. Thank you to all the volunteers that serve!

# RETURN TO CHURCH GUIDELINES

We're excited to be returning to worshipping together as a church family on Sunday, Sept. 13. The safety of our attendees, volunteers, and staff remains our highest priority, so when we do return we will implement new health and safety protocols and other changes shared below. We are all figuring this out together, so we ask for your patience and understanding as we strive to protect all the members of our worship community.

## LOCATION

We are worshipping in the Christian Life Enrichment Center (CLEC) where spaced seating, and a larger lobby and restrooms will make it easier for us to social distance.

## WORSHIP TIMES

**Our 10:30 AM band led worship time has moved to 11 AM** to allow more time to sanitize between services. **Our traditional service will remain at 9 AM.**

The new safety measures that we're implementing will mean it takes a bit longer to enter the building and be seated, so when possible, please arrive early for the first service.

## PARKING

Our Highland entrance is the drive thru drop-off location for those who have difficulty with mobility. If you're able to walk easily, we ask that you love your neighbor by parking in the spaces furthest from the CLEC to allow our friends who have trouble walking to park closest to the building. The parking lot by the office entrance is for those with limited mobility.

## RESERVATIONS

We have a limited number of seats available, so for a time, we will use a reservation system. Making a reservation in advance will ensure that we have a seat for you in worship. See page 7 for more info. We will still be able to welcome guests with seats set aside for visitors.

## WELLNESS

Anyone who is sick, coughing, has a sore throat, or a fever is asked to remain home. We're committed to continuing to provide worship online, so anyone who needs to remain at home whether due to illness, being in a vulnerable group, or other reasons can still join us in worship.

As we enter the building we are using no-touch thermometers to take everyone's temperatures. Anyone with a fever of more than 100.4 needs to return home where you can worship with us online.

Everyone needs to wear a mask in the building. If you don't have a mask, we'll provide one to you. If you're unable to wear a mask, you can continue to worship with us from home until masks are no longer needed.

Everyone who enters the building will be provided with hand sanitizer and must sanitize their hands unless a health condition prevents it.

## SOCIAL DISTANCING

Individuals or families need to maintain social distancing in the fellowship hall and common areas. Wait to be seated by our ushers, who will place those who are living in the same household in seats together, and maintain 6 feet of distance between those who are not living together. No one is allowed to move chairs or seating except our ushers.

We are all looking forward to seeing each other again and will naturally want to give each other hugs or handshakes; but during this season we will greet each other with smiles and waves that maintain 6 feet of social distancing.

When leaving worship, wait to be directed by the ushers and use the specific exits they guide us to, so we can avoid creating bottlenecks and maintain social distancing.

## WORSHIP

Our services are designed to be as touchless as possible by eliminating paper bulletins and hymnals, and using offering collection boxes before or after worship instead of passing the plate.

Several studies have shown that singing creates a higher risk for the spread of the virus, but singing and music are an important part of how we worship God together. So that we can continue to connect to the Holy Spirit through music, our worship leaders will sing while the rest of us will express our love of God by humming, clapping, dancing, raising our hands, etc. instead of singing.

## CHILDREN

Children's Ministry and nursery will be available at a later date. Children are welcome to worship together with their families and are encouraged to bring electronic devices with headphones to use during worship. They will find lots of videos and resources on our Children's Ministry social media accounts, including Storytime with Mrs. Kaitie and more.

## THANK YOU

We thank you all for working with us to take care of each other, even when it may be inconvenient. You may not be someone who is in a vulnerable group or concerned about catching the virus, but these measures will help us to protect those who are. They only work if all of us buy in and do our part to keep each other safe. Thank you for putting the safety of our St. Paul family members first!

## HOW TO RSVP FOR WORSHIP

Due to social distancing requirements, we have a limited number of seats available for worship. To ensure that we have a seat for you on Sunday, we ask that you RSVP online in advance. If you have a computer, smart phone or other way to register online, we ask that you use the online system. It's faster for you and saves time for our staff as well. You can make online reservations right up until worship time, or until we run out of seats.
