## WE'RE UPDATING OUR FILES

We are working to update our database and correct any outdated information that we have on file. Over the years contact information, marital status and other information can change without us realizing it. You may receive a call from us in the next month or so asking to confirm the information that we have on file for you. None of the information that we collect is shared with anyone outside the church. Thank you for helping us to keep our records up to date!
