SIGN UP DEADLINE IS TODAY

During our lives, our families face all kinds of personal and financial milestones, triumphs, and challenges. Financial planning can help all of us prepare for the future and avoid unexpected financial hardships. If we plan for both expected and unexpected events, we can increase the likelihood that we will be able to:

- Provide our children, grandchildren, and even great-grandchildren with financial support as they pursue dreams to further their educations, get married, start a family, or buy a home
- Provide our families the information they need when we leave our lives on this earth and graduate to heaven
- Provide a lasting legacy to our church that will ensure our mission to Glorify God, Grow in Faith, and Give in Love is fulfilled today, and in the future
- Ensure we know what financial steps to take if our spouse's life ends unexpectedly
- Provide the means for us to retire without giving up our quality of life
- Live into our St. Paul value that Generosity is the heart of God, and we get to give.

Your Finance Team invites you to an educational seminar that will address these issues and more! You can attend the workshop either in person or livestream online next Sunday, November 7 at 2 PM. [Sign up online](#). The deadline is today, Sunday, Oct. 31.

If you have questions you would like to have answered, [send them to Pastor Pam](#) or include them when you register.

The Women of Christmas

Women are invited to follow in the footsteps of three women whose hearts belong to God and prepare for the Savior to enter your heart, your mind and your life in a vibrant, new way this Christmas season.

Who Needs Christmas

This Christmas season, join Pastor Bob as we unpack why the improbability of the Christmas story is what makes it so believable. No one could have or would have made it up!
