## What is student ministry at St. Paul all about?

### Growing in Faith

Students grow in faith through worship and study on Sundays, through spiritual retreats, and through weekly studies.

### Serving

Serving is a big part of our Student Ministry. Students serve at the church by helping to livestream our worship on Sundays, working with our Children's Ministry, and helping with church events. Students serve the community through our Open Arms Resource Center, outreach to the Sabal Palms Children's Center and more. Each year our students also take part in a Mission Trip. Last year they travelled to West Virginia to serve by doing home repairs.

### Summer

Our Student Ministry is very active during the summer. We kick off the summer with a Summer Xplosion week that includes a different fun activity every day. Each Tuesday throughout the summer is "Tribe Tuesday," another chance for students to get together and do fun activities like trips to the beach, scavenger hunts, water polo and more. We also have an opportunity to serve each week.

### Retreats

Our Student Ministry takes several trips each year. Some of these activities include tubing, a winter retreat, concerts like Night of Joy, our mission trips and more. We also take a week long trip to the Teen Valley Ranch each summer, where students have the chance to be immersed in worship and God's Word, while also having a lot of fun with everything from horseback riding and zip lines, to crazy team challenges and more.

### Fun Nights

Throughout the year, our Students take part in nights set aside for fun activities like parties, movie nights, our annual Fall Fest in the pumpkin patch and more.
